

Hello, I'm Max Busby.

I'm an experienced Graphic Designer with over seven years of industry experience in in-house design studios. I'm highly skilled in print production, as well as digital, video editing and user experience. I'm currently based in Berlin and looking to work with you.

Work experience

Graphic Designer
Freelance
May 2019 - Present

Freelance graphic design, brand design systems and video editing for on-going clients such as Fullers Group, Jarrad Godman, Re-X and Marina Espresso.

Graphic Designer
Fullers Group (Auckland, NZ)
June 2015 - May 2019

Lead designer at the Fullers Group. Work included UI design for the website and mobile apps, Fullers360 rebranding in 2018, campaign management, video content creation and overall art direction.

Graphic Designer
James Pascoes Ltd (Auckland, NZ)
July 2012 - June 2015

Graphic designer for seven brands within James Pascoes Group. Work included product and packaging design, catalogue design and management, POS layouts and app UI design.

Education

UI/UX Design Specialisation
California Institute of Arts
Sept - Dec 2019

A three month course on UI and UX design as part of my own professional education for website and app design.

Bachelor of Design (Honours)
Massey University of Wellington
2008 - 2011

A four year Bachelor's Degree. Personal strengths over this degree included graphic design, advertising and typographical design.

Key Skills

Graphic Design

7 + years industry experience. Main focus around print-based design. Experienced at digital and video content, branding creation, copywriting and retail product and packaging design.

Tools

InDesign, Illustrator, Photoshop, Adobe XD, Sketch, Premiere Pro, AfterEffects, photography and photo editing skills

About me

Apart from my passion for graphic design, I enjoy good coffee, hot yoga, bouldering, analogue photography, baking, craft beer, film & television and Berlin's nightlife.
